This summer, apple seeds will host an 8-week concert series with a special songs for seeds performance and all-day open play in the safe, fun and clean indoor playground.

songs for seeds is a rockin' music class that encourages kids to sing, play instruments (from drums and guitars to pianos and accordions) along with a live, three-piece band, as well as dance and move as much as possible. Kids travel around the world experiencing music and language from a new country every week. The band creates well known nursery rhymes through art and song, performs Top 40 adult contemporary music, does magic tricks as a way to practice numbers and counting, and spins the animal wheel to reinforce animal names and sounds. Kids will go home singing songs that you will like as much as them.

Tickets for each concert are \$20/adult, \$10/child (non-members); \$10/adult, \$5/child (members). Prices include an all-day play pass to apple seeds, a 15,000 square foot indoor family playspace.
