Website: <http://www.appleseedsnyc.com>

Ages: All ages

At **apple seeds** we are committed to serving not only the children in our community, but extending that reach to help children around the world.  
Here is what we have planned...

Open Play for everyone in our playground from 10:00a – 12:30p. For members this is business as usual. For our guests we invite you to enjoy our indoor playground throughout the party.

The (always incredible) Paper Bag Players will be performing from 11:00 – 11:30a. The Paper Bag Players create and perform original, contemporary, musical theater based on a child's everyday experiences. They combine short plays, songs, dances, mime, painting & drawing on stage. The show will be followed by a meet-and-greet with goodie bags and raffles.

apple seeds will be hosting a Valentine making art station. Your child can create cards for their loved ones and a card that will be sent to a child in Haiti.

Donations for the Valentine's Day benefit are \$40 per family for non-members and a suggested donation of \$25 per family for members.  
100% of the proceeds from the benefit will go to U.S. Fund for UNICEF Haiti Relief.

RSVP is required to guarantee access to the 11:00a performance.

This Valentine's Day give a little love and have a lot of FUN with **apple seeds**.
