Summer Camps

camp apple seeds offers unique activities for kids

camp apple seeds is proud to launch its third summer of camp apple seeds!

Recently awarded "Best Day Camp for Little Kids" by Nickelodeon's Parent's Connect, camp apple seeds is an opportunity for preschoolers to play, laugh and make friends while developing independence and self-confidence. Programs are designed for children ages 3-5 and foster fun, curiosity and learning in a safe and clean environment built just for them.

"camp apple seeds is distinctive in many ways," says camp director Janelle Rooks. "Besides low camper to staff ratios, our camp offers unique activities that reflect what parents and kids have come to love about apple seeds."

Each day, after recreational play in our playground, campers participate in a special theme for the day (past themes have included Olympics, the beach, outer space, and Native Americans).

Through activities like, cooking, science, construction, art, crafts, music, movement, dance, language and many more, kids gain confidence, learn to share and work together, make friends, but most importantly, have fun.

"Because we are still a new program and facility, our ideas are fresh and out of the box," says co-founder Alison Qualter Berna.

Our camp staff has over 17 years of camp experience. All staff members are trained in CPR and First Aid.

Campers are divided into age groups with specialized programming for three to five-year-olds. Camp runs from 9:30 a.m.-12:30 p.m. and includes a healthy snack.

camp apple seeds runs from June 8-August 19. We offer two, three and five day options. Session dates are as follows:

- Session 1: June 8-19
- Session 2: June 22-July 3
- Session 3: July 6-17
